A Collection of 116 Tunes transcribed from six of Maggie Sansone's well-known recordings *Traditions, Mist & Stone, Dance Upon the Shore, A Traveler's Dream, Mystic Dance* and *Merrily Greet the Time*. The music is in standard notation and is suitable for other melody instruments such as guitar, mandolin, recorder, accordion, fiddle. Chords are provided. All tunes and arrangements in this book fit easily on 12/11 as well as the larger extended range models. Many of the tunes are presented as a simple melody line with chords; others are transcribed with fuller arrangements and variations. Listening to the recordings on which the tunes were recorded will enrich the musician's understanding and musical interpretation of the tunes. The

arrangements serve as inspiration with many ideas and examples of harmonies and variations and offer insight into Maggie Sansone's playing and arranging style for the hammered dulcimer. Edited by Deborah Justice with additional assistance by Karen Ashbrook, Ken Kolodner and Paul Oorts. The book is 8.5 x 11 with spiral binding. This is a special teacher/student edition, and will be released nationally by Mel Bay Publications in 2006.
